

East Side Employment

How We Work with You:

The xChange connects job seekers with a network of partner organizations and services.

With our partner and service directories, you can access various resources tailored to your needs, increasing your chances of finding employment opportunities that align with your skills and aspirations.

Do you live on the East Side? Are you interested in opportunities to grow your career?

Our partners offer a wide range of services to help you explore and prepare for job opportunities in many different industries.

Working together to end employment disparities on the East Side of St. Paul.

What is the xChange?

We are a collaborative of 14 partner organizations working to engage employers and community organizations in creating more equitable and more numerous employment opportunities for job seekers on the East Side of St. Paul.
